

Refunding Registration Fees

ICAS has been rescheduled for 9-13 December. We recognize that the change in date and venue may make it impossible for you to now attend. In order to get a refund, we ask that you provide a copy of your original registration form or simply download the new one from the web site. Indicate the attendee's name, your interest in receiving a refund, and especially the credit card information and submit to Liz Quigley equigley@gmu.edu.
